## Mrs. Weber's Kindergarten Class

The Kindergarten class has been studying the Creation story and I asked them, "What was their favorite day that God made and why?"

**Patrick:** day 6 because God made people and He made me on that day too!

**Carolina:** day 5 because He made birds and I like birds: cardinals and blue birds.

**Brooks:** day 6 because He made giraffes!

**Norah:** day 5 because He made birds like goldfinches and cardinals. They come to my bird feeders.

**Gabe:** day 4 because He made the sun and I like to play outside.

**Lily:** day 5 because I like the birds that fly.

**Colton:** day 6 Giraffes!

**Mrs. Weber:** I like day 6 because He made children!!

## *A Note from our Administrator*

I've been so encouraged this year by the massive amount of parent involvement we've had. From volunteering to help with lunch, helping with events, chaperoning field trips, fixing ceiling tiles, doing landscaping work, repairing lights, hanging banners, donating needed supplies, and I could go on and on. To me, this is what the PIP program is all about. You all have stepped up in so many ways and I appreciate it so much. I love that MCA feels like more than a school, it feels like a family in a lot of ways. The teachers/staff and I spend each day lifting each other up, praying with and for one another. It's so nice that our parents are a part of that too. I've had several of you tell me that you're praying for the school. I've had several send me encouraging notes. I've had teachers express to me how much it means to hear from parents that what they are doing matters. Obviously, we couldn't do what we do without you. Thank you for coming alongside us and working together to give the children in our school family the education they deserve. It's such a blessing to be able to work together on this. We'll have several more opportunities for this in October. There are several field trips scheduled, which is an easy way to get involved if you can take the time. Thank you for your continued support, prayer, donations, etc. Working together on this mission is such a blessing to me.

With Love, Amber Warmbier, Administrator
