"Give thanks to the Lord; for He is good. His love endures forever."

Psalm 136:1

*What an amazing response we had for Operation Christmas Child!! We had so many gifts, I ended up being able to fill 4 shoeboxes!! What a blessing it will be for these children! We will be able to track the boxes and see where they go too! The children and I have been praying for them to arrive safely and that the children love what they have picked out!
Thank you so much for helping to be the hands and feet of Jesus!*

I am needing to change the date of the feast to Monday, the 23rd instead of Tuesday, the 24th. Remember your child will not need lunch on that date. We tried on our Pilgrim and Indian costumes last week and we are excited about wearing them to our feast! If you haven't turned in your \$5 for the feast, don't forget to do so!

Parent/teacher conferences will be via zoom this year and will be scheduled for the week of the 30th. I will be sending a sign-up sheet out next week.

Once again, please pack gloves and a hat for outdoor recess. If it is above 35 degrees we will be going outside for a brief recess and fresh air.

Memory Verse

"Children are a gift from the Lord."

Psalm 127:3

Bible: *We will discuss the first family, Isaac and Sarah, and that God made families and that they are a gift from the Lord.*

Reading: Group A: *We have been working on our vocabulary words and introducing new special sounds. They have been given little readers which contain a lot of their vocabulary words in them to read. We have also began writing sentences using capitalization, punctuation, and correct spacing. They are doing a great job with this!*

Group B: *We will continue to strengthen our letter/sound relationships and work toward rhyming words.*

Math: *We will continue with simple addition (plus 1) and learn about families (1 plus 4 is the same as 4 plus 1 and the answer never changes).*

Handwriting: *We have learned all the letters now; we will work on perfecting them.*

History: *We will learn how the Indians helped the Pilgrims when they came to America. We will make our Indian vests and head dresses. We are excited to have our feast and wear our costumes. I will send*

Mon., Nov. 23rd Feast/no lunches needed

Wed., Nov. 24th -27th Thanksgiving break

*Week of the 30th Parent/teacher conferences
to be scheduled
