Thanks for all your help to make Wacky Wednesday so much fun! The children enjoyed finding all the wacky things in the classroom too!

Please note Friday, the 15th is an early dismissal day due to spring break! I hope you find a warm spot to enjoy!

We will be visiting the Nursing Home when we return from break. Please sign the attached permission slip and return it before spring break.

Woohoo!!! The kindergarten classroom was the "Box Top Champions" again!! Thanks for your help in making \$\$ for the school!! I'll continue to take donations through the end of the school year.

The "Big Blue Book of Seuss" was a gift from me to the children in hopes to inspire, encourage, and challenge my little readers. I hope it becomes a keepsake and that they pass it along as well as the love of reading to their little ones! (Please see that it is returned each day to read in class.)

Memory Verse
Memorizing the Lord's Prayer

Subject Goals:

Bible: *We will discuss the story of the disciples asking Jesus to teach them how to pray. The students will learn the Lord's Prayer. We will incorporate that into our daily prayers.*

Reading: *We will learn to decode the Lord's Prayer. We will look for our special sounds, vocabulary words, chunks of words, long vowels, etc. that will help us in reading it. We are focusing on the vocabulary in our Big Blue Book during our reading time in order to facilitate our fluency.*

Spelling: *The children are loving the activities that we do throughout the week in order to learn the words. Thank you for helping them at home as well. **This week's words are: this, that, of, was, are, jump, and with.***

Math: *We will continue with simple addition, adding 0's and plus 1-2's, number words to 5, intro to the nickel and counting by 5's.*

Geography: *We will wrap up our study of the continents before break ending with Europe and Asia.*
