

MCA Field Trip Driver Insurance Form

Please read the following and fill in required information:

State of Illinois law requires the following:

Children under the age of 8 must be secured in an appropriate child restraint system, more commonly called a safety seat. Child safety seats include infant seats, convertible seats (rear-facing for infants and forward-facing for toddlers) and booster seats that are used with the vehicle lap shoulder belt system. The parent or legal guardian of a child under the age of eight years is responsible for providing a child safety seat to anyone who transports his or her child.

Children weighing more than 40 pounds may be transported in the back seat of a motor vehicle while wearing only a lap belt if the back seat is not equipped with a lap and shoulder belt system. Children 8 years of age or older but under the age of 16 must be secured in a properly adjusted safety belt in any position in the vehicle. Persons in violation of this law will be subject to a \$50 fine for a first offense. This fine will be waived upon proof of possession of an approved safety seat. Subsequent violations are punishable with a \$100 fine.
