

The cooler weather returns. Yay! Please see that a jacket is in the bookbag for recesses.

Please see that your child is showing their folders to you nightly. There are often things in there that need to be shared and returned. Also, it is teaching them responsibility and setting them up for success in the future.

My kiddos will begin having art once a week with Mrs. Steele. She is the teacher assistant for Mrs. Gambrell and is a gifted artist and is willing to share her love of art with my students. Yay!!

We have the opportunity to bless our nursing home friends with our musical talent and music teacher, Mr. Evan. We'll share some songs and our fall poetry with them! I love when we have the chance to share God's love with our neighbors!

Important Dates

Monday, October 11 & 12 No school/Columbus Day/teacher in-service

Wednesday, Oct. 27th Raider Pumpkin Patch

Subject Goals:

Bible: We will learn that on day 3 God gathered up the waters and made dry land. The children learned last week that, "just like air, God is there. He is everywhere!!"

Phonemic Awareness: the children will listen for beginning and ending sounds, rhyming words, and be introduced to compound words

Reading: We will learn the color word "yellow."

Kinders: will review the sight words: I, see, and the and be introduced to can

Preschoolers: will learn the sound "d" and be introduced to the sight words: I, see, and the

Handwriting: We have begun to learn how to properly write the "b" and this week we will work on "c and d" using our lines correctly

Math: We are having fun counting sets, patterning, learning to write our numbers 1-4, introduction to the penny and counting pennies, and time to the hour.

Memory Verse

Then God said,

"Let the waters be gathered together
and dry land appear."

Genesis 1:9
